We're beyond excited to welcome you to the river for an unforgettable weekend of fun and adventure!

Feel free to arrive Thursday at 3pm and stay until Monday morning 10am —just shoot us a quick email so we know you're arriving early.

Please note, on Sunday, all food trucks and the bar will close by 4pm, and we'll announce the final order time that afternoon, so make sure to get your last orders in before they close!

Parking

Health & safety rules are serious, so keep this
in mind!

Berry Fields: You can park at your camp.

Golden Valley:

Parking's a bit tricky for **the villas on decks** as there are self campers around. Unload your gear and park at the parking lot.

Self-campers and domes must park in the parking lot.

Lost Valley:

Villas on decks park at your villa.

Self-campers can drop off gear, then park in the lot (20-min max). Don't block anyone, and keep the roads clear for safety. Parking's is limited.

Campervans/Trailers: All mobile homes must park at Golden/Lost Valley parking lots (energy-self efficient).

Grootfontein: Limited spots—first come, first served! You may need to drop off your gear and then park at Golden Valley parking lot and walk back.

Enjoy the festival and stay safe!

Food & Alcohol

Please support our food trucks!

This is a family-friendly festival, so bring your own water bottles and aluminum cups to stay hydrated! The bar will be serving up refreshments, juices, and water all weekend long. Pack snacks for your little ones (because you know best!), and bring your food, cutlery, and camping essentials like you would for any fun weekend getaway. No open fires, but we've got safe braai zones ready for your grilling adventures. You can bring your own booze, but let's keep it fun and responsible – we're here to make memories together!

Mobile Homes

As this is a festival with serious health, safety, and evacuation rules, all mobile homes, trailers, and caravans will be parked in the Golden/Lost Valley lot. You'll need to be energy self-efficient, and don't forget—a fire extinguisher is a **MUST!** Be sure to buy adult and kiddie tickets for the BYO second campsite, depending on your group size (max 6 people per mobile home). Stay safe and have fun!

Braai

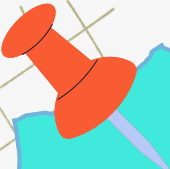

Villas on decks: Your booking includes braai drums and grids!

All other camping: No open fires allowed at BYO camping, but don't worry—we've got dedicated braai areas at the BOMA.

Remember, this is a festival, so fire and safety rules are stricter than normal camping weekends, in line with fire safety, insurance, and public laws. Stay safe and enjoy the braai vibes!

CONTACT: howl@wolfie.co.za

Electricity

All villas on decks have electricity and charging points. At Berry Fields & Lost Valley, the pre-set camps have lights but no charging points—bring battery packs for your phones! Since it's a festival, the power system can't handle plug-in fridges or hair straighteners, so pack gas cooking gear and cooler boxes to keep things chilled. Ice will be available on-site. For self-campers at Golden Valley & Lost Valley, there are no dedicated plots—it's first come, first served, so bring what you need to make your stay comfy!

Facilities

WASHING UP:

There are no communal kitchens. There are limited space for washing dishes at each camp site. We will have basins put out and staff to help wash dishes therefore please bring as little as possible to wash over the weekend, rather pack snacks and fruits to keep things simple and please support our food vendors. Bring along your cooler box to keep things cold, as ice will be sold at the event. There are NO FRIDGES.

Hot showers & toilets you will find at the communal bathrooms. There are only showers no baths. Please have a look at the ticket site what each type of ticket includes.

Bathing babies: please bring along your own basin. Check your ticket option if you will have a power point to boil your kettle. If you are camping at the basic camp site, remember to bring along your gas stove and pots to heat up water.

Unfortunately, no pets are allowed, but don't worry! There's an animal garden where you can play with all kinds of furry friends if you start missing yours too much. 🐾
